

ABOUT US

Pretty Precise Step Team was founded by a mother-daughter duo on August 18, 2020, during the coronavirus pandemic. The team was started to give minority at risk youth an opportunity to express themselves through the art of stepping and dance. Since 2020 Pretty Precise has taken Arizona by storm. With our unique style and diversity, we have become a household name.

The Pretty Precise Step Team Organization is dedicated to helping our inner-city, at-risk youth both on and off the stage. With over 70 participants, the Pretty Precise step team is the only step team in Arizona. We continue striving to become a bigger and better program. Some of our outstanding accomplishments include:

Sponsorship Opportunities

VISION

This year in honor of this momentous occasion the night will include a premium bar, hor d'oeuvres presented by the Valley's locally owned restaurants, live DJ, performance by the Pretty Precise Step Team and more.

Best of all, it is helping our network step into it's purpose by donating the proceeds to support the vision and goals of the program that we are developing for the young ladies of the organization.

Will you support this year's vision?

We Invite you to view the enclosed sponsorship and individual ticket opportunities.

PARTNERSHIPS

In order to provide the best experience for our girls we have successfully created community partnerships. We have received grants, monetary donations or in-kind donations of ticket passes, gift cards, or basket items that are used for prizes, raffles, and silent auction items at our fundraising events. We also want to continue to build these phone model relationships for the upcoming year! We have used the following platforms to fundraise thus far:

- Double Good Popcorn
- Thunderbird Foundation Waste Management
- Chipotle
- Arizona Cardinals Stadium
- Craft Culinary Concepts
- Community Kickball Tournament & Field Day
- Raffles
- Online Donation Campaigns
- Opportunity for Kids and The Message Church

Thank you!
