Pretty Precise Step Fall Season Disciplinary Policy

Step practice is meant to be a fun, educational, and recreational activity. For the benefit of all steppers, it is important that children behave appropriately within the practice. If it becomes necessary to take disciplinary action against a stepper, the steps that will be followed are outlined below:

1st Incident: The stepper will receive a verbal warning, and an explanation will be given as to why the behavior is inappropriate (whenever possible, this will be done in a one-on-one setting, removed from the other steppers).

2nd Incident: The staff will determine an appropriate consequence for the stepper's actions (running laps, jumping jacks, or time out/exclusion from an activity). The stepper's parent will be notified of the child's behavior when they arrive to pick them up at the end of practice.

3rd Incident: Stepper will be permanently excused from step camp without a refund.

*Pretty Precise Step Team reserves the right to expel or excuse any stepper from camp/season permanently, following even the 1st incident in cases of serious issues. *

Coach Responsibilities

1. **Relay any information needed.** It is our responsibility to communicate necessary information to the team members, parents, school administration, and event coordinators. We will give all information as soon as we receive it for any upcoming performance or practice changes. We still rely on your child to relay some forms of communication; so please be sure to ask your child if they have received any information after each practice.

2. **Make sure we put our best foot forward.** The step team represents the parents, the stepper, the coaches, and the community. Therefore, it is our responsibility to make sure that we put on the best show every time we perform. We are responsible for making sure that each member is prepared to execute each step routine correctly. We reserve the right to sit any child out of the performance that does not execute the routine correctly.

3. **Monitor the progress of our steppers.** We are responsible for checking up on our steppers' grades and behavior. We have the right to sit any stepper that is having concerns in class, academically or behaviorally. We also have the right to sit any stepper that is being disrespectful.

Pretty PRECISE 2022

Member Responsibilities

1. Members need to be role models. It is the expectation that our ladies are role models not only at practice, competitions or events, but at school, home and community. The teams have a positive well-known name. Many of the girls are recognized even when they are not in their team attire.

Remember to “Have Attitude.... Don’t Have An Attitude”

2. Members are required to keep up in class. We will check every progress report and report card throughout the year. We also ask teachers about work habits and behavior in class. Steppers are expected to be leaders in school. They should maintain a positive attitudes and good work ethic.

3. Members need to control their stepping at school. It is wonderful that they love what they do and want to practice, however the hallways and at recess are not the times do so. It is also important to only step at practice or at home. If everyone knows our routines it makes people less interested in watching our performances throughout the year.

4. Members need to understand that a uniform is special. It means you belong to a team. Please keep track of your warmup/uniform. Also keep your warmup/uniform crisp and clean for performances. *Whether it is a t-shirt, shoes, pants, jacket, costumes or warmups they should only be worn when directed to by a coach.* When in doubt ask a coach for clarification.

5. Members need to focus on EXCELLENCE! Pretty Precise Diamonds and Divaz are competition teams. We compete against the best of the best in the nation. Therefore, each member is expected to perform at their best ability. For certain shows or when we determine necessary, we will have tryouts before each competition. Tryouts will be judged on precision, showmanship, enthusiasm, vocal clarity and endurance.

6. Members must except that “I can’t” and excuses don’t exist on our teams.

Excuses are tools of incompetence; they build bridges and monuments of nothingness. Those who use them; are masters of nothingness!

Pretty PRECISE 2022

Parent Responsibilities

1. Communication.

a. **Communicate with the Coaches.** Communication is essential for a productive team. If you have any questions or concerns, please address those with the one of the coaches as opposed to another parent. We would like to keep the relationship between coaches and parents positive. 😊

b. **GroupMe.** GroupMe is a great chat room for the entire team, parents and coaches. Please use this method of contact for general questions and information.

c. **Text.** Please make sure that coaches have all current phone numbers. Please use text messaging to contact coaches directly if a child is running late or will miss a practice. Also use this method of contact for specific questions regarding dues, payments, etc.

d. **Check-In.** Feel free to check in after practice to ask about any upcoming events. Also be sure to ask your child if they have received any forms or information from us.

2. **Drop Off and Pick Up Your Child On Time.** It is extremely important for all team members to attend all scheduled practices. Failure to do so often results in team members not knowing steps/transitions, and thus, forcing them to be removed from shows she is not stage ready. It also adds pressure to the coaches and remaining steppers to reorganize the show without your child in the line-up. Finally, it is embarrassing for the stepper that is removed from a show.

3. **Drive or Arrange for a Ride.** Our performance schedule varies. However, in many cases our performances are on weekends. Please drive or arrange a ride for your child in the case you cannot attend. If any child needs a ride and the parent cannot find an alternate please contact the coaches in advance.

4. **Understand the Financial Obligations.** Pretty Precise Diamonds and Divaz are competition teams that perform at a national level. Therefore, we need to meet competition standards locally and nationally. We compete in the hardest and most competitive leagues in the nation.

5. Pretty Precise name and apparel are trademarked. Please do not make or wear any clothing that has our logo or name displayed without our approval. We reserve the right to protect our image and brand. All approved merch can be ordered through the coaches.

6. All steps and routines used in practice and competitions belong to Pretty Precise Step Team. Anyone teaching or sharing steps with schools, churches, family and/or other teams will immediately be removed from team. Legal action may follow. Our staff work extremely hard on choreography.
